In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Statement:

- (i) is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards, and other accounting principles generally accepted in India, of net profit and other comprehensive income and other financial information of the Company for the year ended March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (“Act”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the Statement under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 9 to the accompanying Statement, which describes the staging of accounts to whom moratorium benefit was extended in accordance with the Reserve Bank of India COVID-19 Regulatory package, and the uncertainty caused by COVID-19 pandemic with respect to the Company’s estimates of Impairment of loans to customers. Further, the extent to which the COVID-19 pandemic will impact the Company’s operations and financial results is dependent on future developments, which are highly uncertain at this point of time.

Our opinion is not modified in respect of this matter.

Board of Directors’ Responsibility for the Standalone Financial Results

This Statement has been prepared on the basis of the standalone annual financial statements. The Company’s Board of Directors are responsible for the preparation and presentation of this Statement that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid down in the Indian

Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Statement includes the results for the quarter ended March 31, 2021, being the balancing figure between audited figures in respect of full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Notes:

- Fee and commission income majorly includes commission from syndication loan.
- The above results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on June 10, 2021.
- The consolidated financial results for the year ended March 31, 2021 have been audited by the Statutory Auditors. The Consolidated Financial Results for the quarter and year ended March 31, 2021 include the audited financials of the wholly owned subsidiary, DFL Technologies Private Limited.
- * The figures for the fourth quarter of the current financial year and previous financial year are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of third quarter of the current and previous financial year which was subject to limited review by the statutory auditors.
- During the quarter ended June 30, 2020 the Parent Company allotted 775,200 equity shares pursuant to exercise of convertible share warrants by the warrant holders and 29,272 equity shares were allotted pursuant to exercise of Options under its Employee Stock Options Scheme. Pursuant to the approval of the shareholders obtained on September 21, 2020, the Parent Company through Circular Resolution of the Board dated November 03, 2020 has made allotment of 9,25,426 equity shares of Rs.10 each at a premium of Rs.101.30 per equity share, 40,43,126 unsecured compulsorily convertible debentures (CCDs), having issue price of Rs.111.30 and 17,96,944 Convertible Warrants having issue price of Rs.111.30 through preferential issue in accordance with Chapter V of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and Section 42 of the Companies Act, 2013 as amended and the rules made. These debentures and share warrants are to be converted into equity shares within a period of 18 months from the date of allotment. As a result of this preferential issue transaction, the paid up equity share capital has increased by 9,25,426 equity shares.
- The board of directors of the Parent Company at its meeting dated June 10, 2021 have recommended a final dividend of Rs 0.05 per equity shares of face value of Rs 10 Each for the financial year ended March 31, 2021, which is subject to approval of the members of the Parent Company at the ensuing Annual General Meeting
- The Parent Company had granted moratorium upto six months on the payment of installments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on EMI moratorium dated April 17, 2020. Further, period for which moratorium was granted had not been considered for computing days past due (DPD) as on March 31, 2021. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI and DPD freeze for such period by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Group continued to recognize interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.

The COVID -19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has affected the Company's business operations. During the year, the Group has scaled up the growth in the low risky sector. Further, there has been good collection efficiencies post completion of the moratorium period and none of the customers approached for one time restructuring benefit allowed under the Resolution Framework by Reserve Bank of India dated August 6, 2020 for COVID related stress to the borrowers. Basis the abovementioned factors, the Group estimates that no additional Expected Credit Loss (ECL) provision on Loans is required on account of COVID - 19 during the quarter and year ended March 31, 2021. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Groups's management is continuously monitoring the situation and the economic factors affecting the operations of the Group.

- 11 Hon'ble Supreme Court, in a public interest litigation (Gajendra Sharma vs. Union of India & Anr). vide an interim order dated September 3, 2020, has directed that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. However, such accounts had been classified as stage 3 in accordance with Note No.10 and provision had been made accordingly.
The interim order stood vacated on March 23, 2021 vide the judgement of the Hon'ble Supreme Court in the matter of Small Scale Industrial manufacturers Association v/s UOI & Ors. and other connected matters. In accordance with the instructions in paragraph 5 of the RBI circular no. RBI/2021-22/17 DOR. STR. REC. 4/ 21.04.048/ 2021-22, dated April 07, 2021 issued in this connection. Since, the Parent Company was already classifying the NPA accounts as Stage 3 and provision was made accordingly, without considering the above mentioned asset classification benefit for accounting purpose, there is no change in asset classification on account of the interim order dated March 23, 2021.
- 12 In accordance with the instructions in aforementioned RBI circular dated April 7, 2021, and the Indian Banks Association (IBA) advisory letter dated April 19, 2021, the Parent Company has put in place the Board approved policy to refund / adjust the interest on interest charged during the moratorium period of March 01, 2020 to August 31, 2020 to eligible borrowers under the abovementioned circular and advisory. The Parent Company has no borrowers who are eligible for benefit as per the abovementioned RBI circular and IBA advisory.
