FDI interest from China strong despite 2020 fiat

SINCETHE CURBS on invest-ments via PN3 were put in place

in April 2020, FDI inflows from China till September this year stand at \$124 million, and from Hong Kong at \$334 million. Total FDI form China between April 2000 and September 2023 came in at \$2.5 billion and from Hong Kong at \$4.7 billion. From other countries sharing land borders with India, the inflows have been minuscule. The time taken for approvals has mudged MC Motor totake on JSW Group as a joint venture partner, offer-

MG Motor totake on ISW Group as a joint venture partner, offering it 35% stake in its Indian subsidiary.

"As the deal involves MG reducing stake, it would not need government approval. Government has no objection to it," the official said. Raced with a somewhat similar situation, some Chinese mobile phone and electronic brands like Xiaomiare increasingly tapping local contract manufacturers to expand in India.

Google takes on Meta, this time with its messenger platform

FURTHER, THE CHANNEL comes under the purview of Telecom Regulatory Authority of India (Trai) as telcos and communication platform as a service providers (CPasS) players are also involved in the SMS process. Route Mobile, which is a cloud communication platform provider, says 20-25% of enterprises have currently

adopted RCS and are identifying use cases to tap consumers.

"We are getting good response from enterprises for RCSa sit is more visually appealing and leads to better engagement compared to plain text. Overthenext 18-24 months, we expect 25-30% of the SMS volumes to shift to RCS from a plain text. SMS at present, said Tushar Agnihotri, head of India operations and Asia region at Route Mobile Currently, overall industry SMS volumeis at 55 billion and nonth, and it is growing at a compound annual growth rate (CAGR) of 189%.

According to Agnihotri, there is no difference between WhatsApp and RCS. However, RCS has hosted gateways with telecom operators, making it easier for the channel to qualify for receiving messages which continued to the compared to the said of India and Trai will have higher than the provider, RCS basiness in India has grown six times in 2023 compared to last year, and the company's top 10 clients largely for financial services.
"With RCS, Google will see good growth in market share in conversational messaging. Curently, WhatsApp may be 3x in terms of mobile penetration, but, in terms of work messaging volume RCS is growing faster than WhatsApp," said Nittin Singhal, managing director at Sinch India.
One of the challenges which

One of the challenges which RCS at this stage faces is the reach of its services. This is because this feature needs to be activated by smartphone mak-ers. Currently, about 300 million handsets are RCS-enabled, com-pared to WhatsApp being used by over 600 million users in the country. RCS is not supported on 1Phones as of now, putting around 56 million 1Phone users in the country out of fits reach

around 56 million iPhone users in the country out of its reach. However, Apple recently said iPhones will support RCS mesaging next year onwards.

According to Inderpal Singh Mumick, executive vice president – telecom business, and CEO, Dotgo, RCS has a delivery rate as high as 98% and read rates of 37%, and it is witnessing high engagement from customers. Dotgo is an RCS platform acquired by Gupshup in 2021.
